Applications
UI / UX Design Diagram

Plan Your Day • Stay Organized • Be More Productive

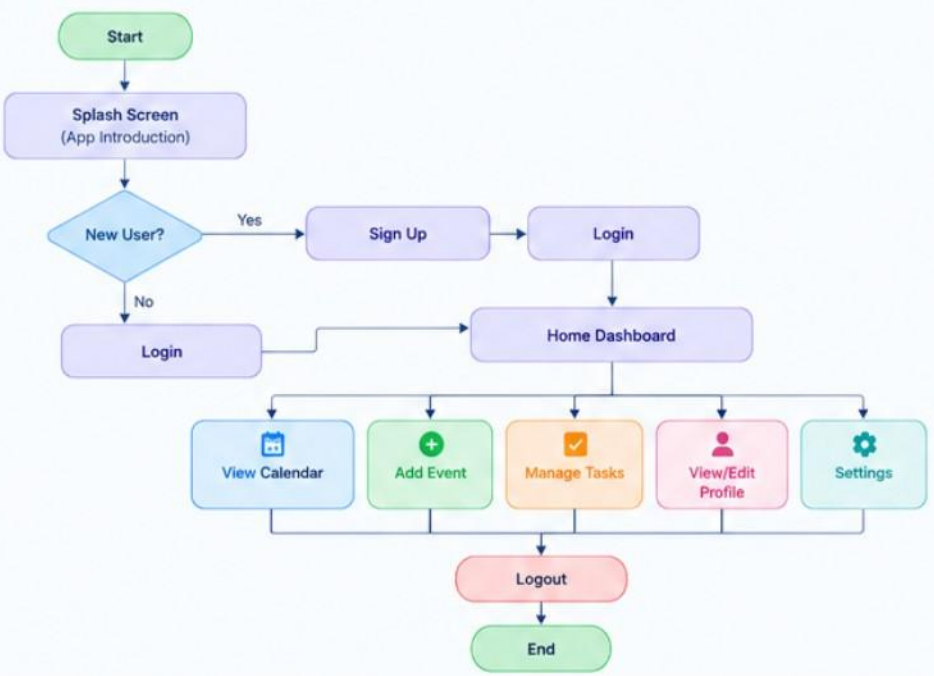

This diagram shows the user interface (UI) screens and the user experience (UX) flow for the Smart Calendar Application. It helps to understand how the app looks and how users navigate through different features.

UI Screens

1. Splash Screen
2. Login / Sign Up
3. Home Dashboard
4. Add Event
5. Calendar View
6. Task / To-Do List

User Flow (UX Flow)

UI/UX Design Principles

- **Simplicity** — Clean and easy to navigate.
- **Consistency** — Same design style across all screens.
- **Accessibility** — Readable fonts, clear icons, easy touch targets.
- **Efficiency** — Quick access to important features.
- **User Satisfaction** — A smooth and pleasant experience.

Color Palette

Primary	Secondary	Success	Warning	Error	Background
#6366F1	#A5B4FC	#22C55E	#F59E0B	#EF4444	#F8FAFC
